

HugyFloat Compact Standard

Technical specifications:

- polyacetal (lightweight)
- modular system
- makes Arius 1500 neutrally buoyant
- segments can be added/removed

The HugyFloat Compact comes with 8 floating segments.

Additional segments can be ordered (N° 8.919).

Product N°: 8.917 (2 arms / 3 clamps)

Product N°: 8.918 (4 arms / 6 clamps)

HugyFloat Compact Large

Technical specifications:

- polyacetal (lightweight)
- modular system
- makes Pro+ with 2 x Arius 1500 neutrally buoyant
- segments can be added/removed

The HugyFloat Compact Large comes with 12 floating segments.

Additional segments can be ordered (N° 8.919).

Product N°: 8.930 (2 arms / 3 clamps)

Product N°: 8.931 (4 arms / 6 clamps)

HugyFloat Compact Components

HugyFloat Compact Standard (D35)

Lift*: 110gr

Product N°: 8.937

HugyFloat Compact Large (D48)

Lift in fresh water: 300gr

Product N°: 8.938

Mount ball tube M
Lift: 7gr

Product N°: 8.935

Mount ball tube F
Lift: 22gr

Product N°: 8.936

Extension D35
Lift: 27gr

Product N°: 8.919

Extension D48
Lift: 60gr

Product N°: 8.932

Extension D35/D84
Lift: 36gr

Product N°: 8.933

Extension D48/D35
Lift: 55gr

Product N°: 8.934

* in fresh water

How to use with Arius 1500 Lights

$$2x \text{  + 6x \text{  = - 441gr$$

$$4x \text{  = + 440gr$$

(2 x Arius 1500) + (6 x power closings) + (4 x HugyFloat Compact Standard arm) = **neutrally buoyant**

How to use with Pro+ housing and Arius 1500 Lights

$$\text{ + \text{ + \text{ + 2x \text{  + 6x \text{  =$$

$$- 1.193gr$$

$$4x \text{  = + 1.2000gr$$

Pro+ housing + Extended Trigger + Macro Lens + Macro Lens Holder +
(2 x Arius 1500) + (6 x power closings) + (4 x HugyFloat Compact Large arm) = **neutrally buoyant**
